Note: To comply with the Clean Air Act Amendments of 1990, IDEM was required by EPA to act by December 31, 2000, upon all the approximately 750 Title V permit applications which it received prior to June 30, 1999. While the majority of Title V permit decisions were issued by the December 31, 2000 deadline, a number of the more complex application reviews are still pending. According to recently revised EPA figures, as of March 2003, Indiana (nationally, [a leader among industrial states](#) in its processing of TV applications) has issued permits for [76 percent of the applications](#) it received.
